Adrian

Chris had tried to email the transcripts and the email got rejected due to it size. Attached is a process we have used in the past for transmitting large files to us. Not sure if you have done that before, but that was one option we came up with here.

Thanks Mike Brandon Licensing - Manager DTE Energy/MEP/Nuclear Development 313.235.0443

(See attached file: Generic ftp job aid.docx)

Hello Chris,

I have attached instructions that explain how to use the DTE FTP website.
