Importance:	High

John,

UniStar's letter with Accession Number ML11168A012, dated June 13, 2011, provides Revision 1 of the Calvert cliffs Unit 3 Cyber security Plan submission. This submission replaces CCNPP Unit 3 COL application, Part 11L and will be incorporated in the future revision of the COL application.

Please review this latest revision to prepare your SER input.

Thanks.

Mike:

Please see the **highlighted** information on this E-Rids distribution. This is wrong. The letter being distributed is a Calvert Cliffs Unit 3 submission for Docket 52-016 and has nothing to do with Westinghouse or AP1000.
Please correct it.

Thanks.
