Ray, Rick,

Attachment 2 to the subject letter is 7 pages long. But the pagination indicates it should be 8 pages long (i.e., it says Page 1 Of 8, 2 of 8, etc.). Please provide a revised version of the letter that either includes the missing 8th page, or corrects the pagination to show that the attachment was only 7 pages long. It can't be entered into ADAMS until this is sorted out.

Andy
