Manny –

When is the call with PTN scheduled?

All of the RAIs to discuss are OUO-SRI, no safeguards. However, I would suggest that they have their PSP available for RAI 13.06-25. The RAIs to discuss are below.

In order for FPL to prepare for the phone call, would it be possible to send us the list RAI numbers that you have concerns with our responses. Especially since some of the them are SGI. It would allow us to preview the answers provided and make the call more effective.
