Attn: Docketing and Service Branch

Gentlemen:

As a manufacturer with annual sales of \$80,000,000 and also as the employer of 1,900 persons, my company is concerned that Wisconsin has adequate and reliable supplies of electric energy. Therefore, we request to make a limited appearance in support of Wisconsin Public Service, et. al. in the matter of the Kewaunee Nuclear Plant, Docket No. 50-305, Amendment to License No. DPR-43 (Increase spent fuel storage).

Please advise the undersigned of the procedure to be followed in making this limited appearance.

Thank you.

Very truly yours,

J.R. Pearson
