

Docket No. 50-305

JAN 11 1972

Lt. Colonel Don S. McCoy
U. S. Army Coastal Engineering
Research Center
5201 Little Falls Road, N.W.
Washington, D.C. 20016

Dear Colonel McCoy:

This supplements my previous letters to you concerning the Kewaunee Nuclear Power Plant being constructed in Kewaunee County, Wisconsin.

A copy of the Wisconsin Public Service Corporation's Amendment No. 13 dated December 15, 1971, which consists of responses to AEC questions is enclosed for your use.

Sincerely,

Original Signed by
Charles G. Long

Charles G. Long, Chief
Pressurized Water Reactor Branch #2
Division of Reactor Licensing
