Re: Wisconsin Public Service Corporation, et al.
(Kewaunee Nuclear Power Plant) Docket No. 50-305

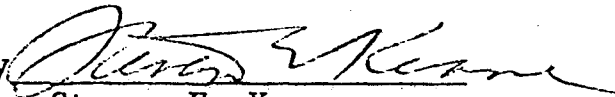

Gentlemen:

This letter is written to advise the Board that Wisconsin Public Service Corporation ("WPSC") does not wish to appeal the Memorandum and Order issued by the Intervention Board on July 13, 1978. In hopes of expediting proceedings on the pending application, WPSC respectfully requests that an early special pre-hearing conference be scheduled promptly to consider the matters set forth in §§ 2.751a and 2.752 of the Commission's Rules.

In the meantime, WPSC will endeavor to meet with the NRC staff and intervenors to discuss possible narrowing of contentions.

Very truly yours,

FOLEY & LARDNER
