Kewaunee Nuclear Power Plant
Organization and Personnel Changes

The purpose of this letter is to keep you apprised of recent changes in the Kewaunee Nuclear Power Plant operating organization.

On May 3, 1998, Mr. Mark L. Marchi was appointed to the recently created position of Site Vice President-Kewaunee Plant. Mr. Marchi, the Quality Programs organization, the Nuclear Business group, and the Nuclear Communications Coordinator will continue to report to Clark Steinhardt, Senior Vice President-Nuclear Power. The Manager-Kewaunee Plant, the Manager-Engineering & Technical Support, and the Manager-Nuclear Plant Support Services will now report to Mr. Marchi. This change will be reflected in the next periodic update to the Operational Quality Assurance Program Description.

On May 31, 1998, Mr. Kenneth H. Weinbauer will assume the duties of Manager-Kewaunee Plant. Mr. Weinbauer is currently the Assistant Manager-Plant Operations. The current Plant Manager, Charles Schrock, has accepted an internal position outside the nuclear organization.

Please continue to direct formal correspondence to Mr. Marchi at our Green Bay office, and direct information previously transmitted to Mr. Schrock at the Kewaunee Plant to Mr. Weinbauer at the same location.

If you require any additional information or have questions concerning this transmittal, please contact Rick Pulec of my staff.

Sincerely,

Clark R. Steinhardt
Senior Vice President-Nuclear Power
