License Examination Request

The purpose of this letter is to request that the NRC conduct Reactor Operator and Senior Reactor Operator License Examinations at Kewaunee Nuclear Plant during the weeks of December 11, 2000, and December 18, 2000.

As previously discussed in a February 25, 1999, telephone conversation between Mr. Max Bailey, US NRC, and Mr. Dan Starr, WPSC, we are anticipating examinations will be needed during these weeks for six (6) Reactor Operator candidates, two (2) Senior Reactor Operator Upgrades, and two (2) Senior Reactor Operator Instantants. It is also requested that the NRC develop the examinations.

If you have any questions regarding this request, please contact Mr. Jim Brown at (920) 388-8430.

Sincerely,

Mark Marchi
