Steve,

I have attached our staff revision to your April 2011 reformatted working draft NRC/OAHA MOU regarding guidelines for coordinating certain activities between our two agencies. I also attached a side-by-side comparison to the version you provided me in April 2011. I'll follow up with you in the next few days to discuss our input to the working draft and to discuss the next steps regarding our proposed revisions as well as any further reviews and comments, if needed, as we work toward a final draft to present to our respective senior management for their review. I also provided my cell number to enable you to contact me more easily.
