Dear Ms. Xu:

The following is an amendment request from Panasonic, E-Distribution License Number 29-27907-01E, for a change of address for our distribution center in California. We have moved from the warehouse in Santa Fe Springs due to a change in the warehouse service contract. The new address is shown on the attached possession license from the State of California. You'll note that the California license number has changed due to the location of the new warehouse. Please see attached documentation for information regarding this request.

We are sending this to you electronically as well as by regular mail. Please call our consultant, Susan Engelhardt, if you have questions regarding this request. Her number is 608-213-0113, or you may email her at sengelhardt@wi.rr.com.

Re: License No. 7721-30

Dear Mr. Wood:

Enclosed is **Amendment No. 2** to the referenced license. Please review it carefully.

Due to the change in use location, there's a minor modification to your license number and local inspection agency. Radioactive Material License number has been change from 7721-19 to 7721-30, and the local inspection agency is Radiologic Health Branch-South. Please use the 7721-30 from now on when referenoing your Radioactive Material License number for any future amendment requests.

The number for the local inspection agency, (Radiologic Health Branch, South), is 714-257- 2403.

As a reminder, you must update the emergency telephone contact list to include the change of telephone numbers due to new facility. A copy should be forwarded to the Radiologic Health Branch, Sacramento office (address below) for our records.

If you have any questions, feel free to call me at (916) 449-5658, or email me at Kristina.DeLeon@cdph.ca.gov.

Sincerely,

Kristina De Leon
