Subject: Detroit Edison Company Submittal of Fermi Physical Security Plan, Revision 4

In References 2 and 3, Detroit Edison submitted responses to NRC Request for Additional Information (RAI) Letter No. 51 and committed to provide a revision to the Fermi Physical Security Plan. Revision 4 of the Fermi Physical Security Plan is provided in Enclosure 1.

Please note that the revised text is shaded throughout the document for ease of review. A summary and descriptions of the changes are provided in Enclosure 2.

The enclosure to this letter contains safeguards information and should be withheld from public disclosure in accordance with 10 CFR 73.21.

When separated from Enclosure 1, handle this document as decontrolled.
