

**NUCLEAR REGULATORY COMMISSION**

**Docket No. NRC-2011-0160**

**Agency Information Collection Activities: Proposed Collection; Comment Request**

**AGENCY:** Nuclear Regulatory Commission (NRC).

**ACTION:** Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

**SUMMARY:** The U.S. Nuclear Regulatory Commission invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the *Federal Register* under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* Employment Application System for Entry-Level Legal Positions.
2. *Current OMB approval number:* 3150-XXXX.
3. *How often the collection is required:* On occasion.

4. *Who is required or asked to report:* Applicants seeking employment through the NRC Office of the General Counsel Honor Law Graduate Program or Summer Internship Program.
  
5. *The number of annual respondents:* 1,500.
  
6. *The number of hours needed annually to complete the requirement or request:* 1,500.
  
7. *Abstract:* The NRC is seeking to implement a Web-based job application system that will allow the NRC Office of the General Counsel to track, manage, and interact with applicants seeking entry-level attorney positions through the Honor Law Graduate program or temporary, summer legal positions through the Summer Internship Program. Applicants seeking employment consideration will submit application materials, including cover letters, resumes, school transcripts, lists of references, and writing samples, via a Web-based interface. These application materials may contain names, addresses, phone numbers, email addresses, school information/grades, employment information/histories, and works of writing.

Submit, by (*insert date 60 days after publication in the Federal Register*), comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?
