Pat,

It's time for the monthly update of the list of items coming to the Commission for action. I owe any revisions to Jim by next Friday, December 3. RES only has a few items on the list:

- The AO report at the end of February.
- The proposal for revision to the CRGR charter at the end of February.
- The SOARCA paper at the beginning of July.
- The Level 3 PRA paper at the beginning of July.

The only thing I saw that I thought needed to be updated was the SOARCA due date – it currently references the extension request, but I think we can revise that to indicate the extension was approved. I still haven't heard back from SECY on the Level 3 PRA extension request, so I think that can stay as it is.

ETAs, time for the monthly update. Please work with your offices to review the attached file and provide feedback on any changes. Don't forget to discuss any significant changes with the appropriate DEDO.

Please provide all office inputs to me by **COB, December 3<sup>rd</sup>**.

I will coordinate with SECY and provide one OEDO input. Thanks.

Please review the attached list of items coming to the Commission for action/vote. SECY will be presenting this list to the Chairman to assist him in establishing his priorities for the next agenda planning session.

For each item:

- Is it an action/voting item?
- Is the due date correct?
- **Are there any other papers that you are generating that will be coming for Commission action/voting that are not on the list? If you are not sure of exactly when you will be providing something, please give an estimated date. It is better to have it on the list and adjust the date if need be.**

(Items in blue are for Commission meetings, and items in green are newer and/or changed.)

By close of business December 3<sup>rd</sup>, please confirm that the items for your office are correct and provide any other items that should be on the list through August 2011.

Please feel free to provide updates to these items at any time, as soon as you know something has changed and/or you are planning to send a new action/voting paper to the Commission. [Note that SECY is not adding staff generated items to the Commission Tracking System. We are only keeping them on the attached list.]

We appreciate your assistance and attention in putting together an accurate and comprehensive list of action items coming to the Commission.

Thank you,  
Rochelle
