Good morning Mr. Fisher,

Mr. Goodman is actually an NRC employee and is not directly associated with travel reimbursement. The individual's name that you will need to contact for questions related to travel expenses is Mr. Ken Vaughn of Cameco.

On Friday May 27, I called and left a message for you at your office with the phone number of Mr. Ken Vaughn of Cameco so that you can ask your questions regarding compensation. I also sent out the following email to you in case you did not get your phone message.

Please let me know if you have a questions.

Thanks you and we look forward to seeing you at the meeting tomorrow.

Ms. Haimanot,

Did you ever find out about Mr. Goodman's direct phone number for travel reimbursement? I don't think I have ever received anything from him and I haven't made any travel plans to the meeting. Please let me know right away. Thanks.
