Ms. Jarding,

My name is Haimanot Yilma and I work for the U.S. Nuclear Regulatory Commission. In January, 2010, we had a conversation regarding a letter you sent to Chairman Gregory Jaczko on the Dewey-Burdock proposed ISR project. During our conversation in 2010, you had requested to meet with us the next time we are in the area. My Branch Chief, Kevin Hsueh, and I will be in Rapid City the morning of June 10 and will be available to meet with you from 8 to 10 AM. We were wondering if you are available to meet with us?

I called and left a message for you about 10 days ago at 605-455-6089 to inform you that we will be in the Rapid City on June 10, 2011. I also tried to reach you at 605-791-0990 and 970-412-1924 about the same time, however, I was told these two numbers no longer belonged to you. Today, I was able to get your email address when I called back 605-455-6089.

We hope to meet with you while we are in Rapid City next week to hear your concerns and gather any information you might have on the proposed Dewey-Burdock Project. Please let me know your available via email; I will be checking my email periodically while I am on travel.

Sincerely,

Haimanot Yilma
