Richard/Pat,

Greg asked for the updated list today. We did remove the section that discussed a sub-committee meeting in April. However, Tarek would like a little more meat to explain the situation when discussing with Greg. So, here is my stab, correct as you see fit:

(b)(5)

Tarek,

Here is DSA's input, we don't anticipate an ACRS meeting in April on SOARCA. So, I just removed that part. A subcommittee meeting will probably happen, but it will be down the road a bit.

Thanks,

Tarek,

Please see the attached revision. I revised the notes column for the Level 3 PRA entry to reflect the following:

Staff briefed ACRS subcommittee 11/17/10. ACRS plans to issue letter after full committee meeting in April.

Please let me know if you have any questions.

Regards,  
Dan

Tarek,

I hope you had a nice holiday.

When you have a chance, please look over the attached list of items coming to the Commission for action and let me know if you have any additions or modifications. I highlighted those items assigned to RES. If you can get back to me by January 10, I would appreciate it.

Thanks for the help!  
Greg
