Subject: Draft appendix A for NRC staff review

Importance: High

All,

I just sent the draft Appendix A for NRC staff review via Sandia's remote managed file transfer (RMFT) site. Mark delivered this to us last night but Yvonne is out of the office with a very bad cold this week and was not able to send it to you herself last night. She called me this morning and asked me to send it to you. Please let me know if you have any issues getting the zip file downloaded.

I am planning on conducting the weekly SOARCA PM teleconference with Richard this morning at 11:00 eastern time. Particular issues I would like to discuss include:

1. Funding status
2. Appendix A Review plan
3. Fact Check resolution status

Best regards,

Shawn
