John,

The corrected Volumes 1 and 2 DVDs of the Rev 3 to Calvert Cliffs COLA have been reviewed for processing. Volumes 1 and 2 of the Public version has been determined to be okay for processing. However, Volume 2 of the Non-Public DVD contains no files. It appears that the DVD burning process was not completed.

We will not be able to load the Non-Public DVDs until we receive a resubmission of Volume 2.

We can load the Public DVDs today or if you prefer wait till we receive the corrected Volume 2 of the Non-Public DVD and then load both Public and Non-Public files at the same time.

Please note that the Public DVD files will be loaded as Non-Public with "Non-Public Pending Review" in the Keyword field.

Thanks,

Grace Canty
