**Re: Materials License No. 21-05432-04**

This letter is to attest to the clinical training of Dr. Michael Ouimette by Dr. Christopher Mehall, current AU for SirSpheres. Dr. Ouimette is currently listed on our license for 35,300 uses. This authorization fulfills the Guidance revised January 2011, Training and Experience part A. Clinical training part B, pathway 1 requires three hands-on cases under the supervision of an AU authorized for this procedure. I am attesting to that training. I am a trained proctor for Sirtex.

If you have further questions, please contact Shan Marlette, R.S.O. at (906) 225-6967 or fax number (906) 225-7753.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Mehall'.

Christopher Mehall, M.D.
