Dear Jackie,

Preston Miller is currently listed on our license as the Radiation Safety Officer (RSO). Please change the RSO listed on our license to Fred Wallis. Preston has taken a position with another mine starting July 11th, and will no longer be the RSO. Please find the most current certificate of RSO training for Fred Wallis attached. Fred has also been trained by Thermo Fisher Scientific (the instrument manufacturer) to conduct the required bi-annual leak tests, but will not do any non-routine maintenance as expressed in section 17 of our materials license.

If you have any questions, please feel free to contact me regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Fred Wallis".
