You can send it.

Also – please work with FO to arrange a meeting between Brian and Mike Weber, with you and I also attending – to resolve the SOARCA extension issue.

Thanks

Thanks  
Will you provide him the information we drafted or do you want me to send it electronically to him?

FYI – Here's the e-mail exchange between Jennifer and Brian and me. I haven't spoken to Mike after our morning meeting, so it's possible they've already spoken.

All the DEDOs and Bill are out at a retreat with the Chairman this afternoon, but I think it can wait until next week.
