P.O. Box 287
Waterville, OH 43566

Dear Mr. Forst:

Due to a change in NRC's licensing policies, we have issued a Corrected Copy of your NRC Material License No. 34-26746-03. In accordance with a telephone discussion with Todd Baugher on June 1, 2011, and his email dated June 1, 2011, please note the addition of total possession limits for Items 8.A. and 8.B, on the enclosed Corrected Copy. If this is insufficient to meet your needs, please contact the U.S. Nuclear Regulatory Commission, Region III office immediately at (630) 829-9887.

In accordance with 10 Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script that reads "Toye L. Simmons".

Toye L. Simmons
Health Physicist
