July 17, 1997

Mr. Geoffrey E. Grant  
 Director, Division of Reactor Safety, Region III  
 Region III  
 801 Warrenville Road  
 Lisle, Illinois 60532-4351

Dear Mr. Grant:

We are in the process of scheduling the next Great Lakes Quality Assurance Managers Meeting for October 2 and 3, 1997 at the Courtyard Marriott in Chicago, Illinois. The meeting times will be from 10:00 a.m. - 5:00 p.m. on October 2 and 8:00 a.m. - 12:00 p.m. on October 3. The meeting is being hosted by Wisconsin Public Service Corporation (WPSC). WPSC would like to invite an individual from Region III and from the Nuclear Reactor Regulation (NRR) to attend.

Ms. Suzanne Black and Mr. Robert Gramm from NRR attended the meeting in May, 1997. If possible, we would like someone from each of the two areas (NRR and Region III) to join us and speak for about an hour each on Friday, October 3 on a subject selected by the attendees. We will attempt to provide a particular subject area for discussion (i.e., 10CFR50.59) as well as subjects selected by meeting attendees.

Please let me know if it will be possible for you to have someone attend. I may be reached at (920) 388-8608.

Sincerely,

C. S. Smoker  
 Superintendent - Quality Programs

- Relative to 10 CFR 50.54(f)

- Now that the agency has had more time to review and prioritize the response to 10 CFR 50.54(f), what short and long term actions will be taken?

- When will the NRC issue guidance on what the agency considers to be "reduction in commitment"?

For planning purposes, please let me know who will be attending. I may be reached by phone at (920) 388-8608, by FAX at (920) 388-8382 or through Helen Krueger, of my staff at (920) 388-8411. Thank you.

Sincerely,

C. S. Smoker
