Due to word processing software difficulties, enclosed are a replacement cover letter and the first page of Attachment 2 of the above referenced letter. During final preparation, the word "was" was inadvertently replaced by "WPS" in several locations. We have identified and corrected this software problem.

Please replace the attached 3 pages of the September 4, 1997 submittal with the replacement pages provided, and accept our apologies for any inconvenience this may have caused.

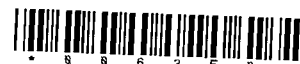

If you have any questions or would like additional information, please contact me or a member of my staff.

Sincerely,
