Documents Title in ADAMS)

Mr. Baker indicated that their current RSO would be retiring soon and he wanted to know what requirements we would be looking at for a new RSO. I reviewed the license and noted that it was a broad scope license with a number of sites across the country. I referred Mr. Baker to the NUREG volume on Broad Scope Licensees. Mr. Baker asked if it would make it any simpler if the person being requested was the RSO for the license in the past. I stated that it would if he gives the time period he was the RSO and whether he would a full-time employee. Mr. Baker indicated that the individual was Edmond Baratta who would be hired as a part-time employee. James Cherniak would remain the RSO until the amendment was processed.
