ILT39 Written Examination - Supplemental Submittal

Dear Mr. McCree:

Oconee submitted the final version of the ILT39 written exam on 05/11/2001. After review ~~by the chief examiner it was determined that one question did not meet the final written~~ outline. We are submitting a new question (attached) that matches the outline K/A.

Additionally, we are submitting a revision to the initial conditions for question #71 (attached) as discussed with the chief examiner. This does not change the knowledge required to answer the question but does put the plant in the correct condition.

If you require any additional information, or have any questions, please contact Gabriel Washburn at (864) 873-4490 or John R. Steely at (864) 873-3446.

Sincerely,

T. P. Gillespie, Jr.
