It has come to our attention that an error existed in Amendment No. 17 to your NRC Material License No. 21-13783-02. This error has been corrected by changing the spelling of your name in License Condition Nos. 11 and 12. We also changed License Condition No. 16 to have you as the supervisor for maintenance listed in this condition. Lastly, we increased your possession limit per your request in our phone conversation on May 25, 2011.

Enclosed is the corrected copy of your license reflecting the changes we have made. We apologize for any inconvenience these errors may have caused.
