Dear Sir:

Performance Contracting Inc. (PCI) is requesting the above referenced documents; related to our discussions with the NRC staff about the SFS Team's Large Flume Testing protocol be withdrawn from the NRC records. If there is a future need to submit this document or a revised document in the future; we shall do so under a different affidavit.

I am the responsible person authorized by Performance Contracting, Inc. for executing this request and I am located at the address printed at the top of this page.

We greatly appreciate the USNRC's effort, specifically as it relates to the Safety Issues Resolution Branch's attention to the review of PCI's documents and reports.

Sincerely,

James M. Bleigh
