SUBJECT: DISCUSSION REGARDING LAKE CITY ARMY AMMUNITION PLANT  
AREA 10 RELEASE FOR UNRESTRICTED USE AND FINAL STATUS  
SURVEY REPORT

On the above date, a representative from Lake City Army Ammunition Plant (LCAAP) contacted the NRC to discuss the process to request the release of LCAAP Area 10 for unrestricted use from their NRC license. NRC stated that army will need to submit a license amendment request with an attached final status survey report to demonstrate that the area meets NRC unrestricted release criteria. LCAAP stated that they have completed the final status survey report and will be submitting a request within the next few weeks.
