Thank you for your letter dated April 24, 2011, to the U.S. Environmental Protection Agency (EPA) regarding the Remedy System Evaluation (RSE) Final Report recommendations and Statistical Sampling of Background concerns. The letter was forwarded to me for reply because New Mexico is within the jurisdiction of Region 6.

The EPA is in consultation with the National Regulatory Commission (NRC) with regard to the RSE recommendations. The EPA will continue to consult with the NRC and the New Mexico Environment Department to assure appropriate cleanup and protection of public health.
