Jerry Hale, Project Manager

BWR Projects Branch
Division of New Reactor Licensing
Office of New Reactors

Dear Mr. Hale,

Could you please provide for me the phone number by which the public can participate in the July 21, 2011 meeting to discuss Back Fill Analysis relating to the Detroit Edison Combined License Application for Fermi unit 3.

Is the previous number of 888-790-4090 access code of 17590 still valid? Please confirm.

This meeting is set for Thursday, July 21, 2011 8:30 a.m. - 11:00 a.m.

I will continue to review docket 05200033 for appropriate postings of documents under review. If there are other documents, power points, slides which will pertain to this meeting which are not docketed but available in advance of the meeting, I would appreciate electronic copy sent to mkeeganj@comcast.net.

Thank you

Michael J. Keegan
