Good day, Ms Simmons.

On behalf of COL Bower, Brooke Army Medical Center Radiation Safety Officer, please find attached our organization's request to administratively change the addresses listed on our NRC license. The Department of Defense, in order to meet the requirements of 911-Emergency Response Systems, has changed the mailing addresses on our installation, Fort Sam Houston. The physical location of our facilities has not changed. Please contact me if you have any questions regarding this request.

Thank you,
