I spoke with Dennis Zannoni about a request from the bank holding the surety bond requesting the bond's cancellation for Colgate-Palmolive Technical Center in Piscataway, NJ. Mr. Zannoni looked into the matter and determined that the license had been terminated by the State of New Jersey and that financial assurance was no longer necessary. A copy of the terminated license would be faxed to the NRC but no letter indicating that the financial assurance was no longer required was sent to the NRC.
