**NUCLEAR ENERGY INSTITUTE CERTIFICATION OF
LICENSING SUPPORT NETWORK SUPPLEMENTATION**

Governing regulations require that each party to this proceeding continue supplementing the documentary material made available to other proceeding participants via the Licensing Support Network (“LSN”) with any additional material created after initial certification. 10 C.F.R. § 2.1003(e). Pursuant to this requirement, the Pre-Application Presiding Officer (“PAPO”) Board ordered that the required supplementation be made on or before the first of each month following initial certification, and that such be appropriately certified. Revised Second Case Management Order (Pre-License Application Phase Document Discovery and Dispute Resolution) (July 6, 2007) at 21. Although PAPO Board jurisdiction has ceased, the supplementation and certification requirements remain effective. Construction Authorization Board Case Management Order #1 (Jan. 29, 2009) at 2.

NEI made its initial certification on January 11, 2008, and its previous certification of supplementation on June 29, 2011. Accordingly, Rodney McCullum, as the official

responsible for NEI's administration of its responsibility to provide electronic files of its documentary material, has executed the attached certification of supplementation.

Respectfully submitted,
