Subject: Model No. ATR FFSC package DRAFT RSIs
Attachments: ATR FFSC RSI.docx

Hi Jim,

Hope you had a good weekend. Here is a DRAFT of the potential RSIs for the Model No. ATR FFSC package. The wording may change slightly as we still are in the process of modifying/finalizing the RSIs, however, these are the topics that most concern the staff.

Please let me know if you need any clarification to any of the RSIs.

Thanks,
Jennie
