**Subject: List of Radioactive Materials Licensees**

Dade Moeller requests a list of all licensees who hold a Radioactive Materials license. Dade Moeller & Associates offers radiation safety training in Gaithersburg, MD, Las Vegas, NV, and Acton, MA through our Radiation Safety Academy division. The Academy offers training for RSOs, radiation safety managers, and workers. We intend to offer our services to the licensees of your state.

As part of the list, we request the name, address, and phone number of the licensee. We also request the name of the radiation safety officer and/or contact person for each of the licensees. We would prefer to receive the list in electronic format (Excel), if possible. Please email the list to [cshook@moellerinc.com](mailto:cshook@moellerinc.com).

If there is a fee, please email me with the amount and a check in that amount from Dade Moeller will be sent by way of Federal Express to your office.

Please feel free to call me at (509) 946-0410 x 264 or email me at [cshook@moellerinc.com](mailto:cshook@moellerinc.com) if you have any questions concerning this request or if you require any additional information.

Sincerely,
