Letter from C.R. Pierce of Southern Nuclear Company to NRC dated May
13, 2011, "Voluntary Revision to Combined License Application Part 10"
(ML11138A095)

In the referenced letters, Southern Nuclear provided additional information regarding
supplemental information in support of a special nuclear material license application and
a voluntary revision to the Combined License Application, Part 10. These responses
were identified as standard for S-COLAs. Duke endorses the standard content of the
referenced letters and the associated changes will be implemented in a future revision
of the Lee Units 1 and 2 COLA.

If you have any questions or need any additional information, please contact Peter
Hastings, Nuclear Plant Development Licensing Manager, at (980) 373-7820.
