Good morning!

Under the Freedom of Information Action (FOIA), I am looking for radiation files for the following TAMKO/EPOCH facilities in Missouri:

- 220 W 4th St, Joplin, MO 64801
- 3001 Newman Rd, Joplin, MO 64801
- 601 N High St, Joplin, MO 64801
- 207 E 17th St, Webb City, MO 64870
- Maple & 17th, Lamar, MO 64759
- 223 S KK Hwy, Lamar, MO 64759

They may have general licenses for devices used to measure thickness. If they do have any radiation devices, please send me a copy of all files pertaining to them. Electronic files are preferable to paper files. If there is a fee for this service, please let me know. Thank you in advance for your help.
