License No.: 26-27699-01

Dear Ms. Roldan-Otero,

We would like to add a new physical address to our license for a location of use of our Troxler 3430 gauge. The new physical address we wish to add is 108 West 4th Street, Valentine, Nebraska, 69201. Once we have received an amended license and permission to do so, we will then move our primary storage location to our new building.

Niobrara Valley Consultants is in the process of moving our business to a new location, and for the next 30-60 days we will have possession and access to both our current location and our new location. Please amend our license to include this new address.

Thank you, Sincerely

John E. Wietzke, R.S.O., Niobrara Valley Consultants
