Subject: Response to Letter from J. Hind to D. Arnold
dated September 29, 1978
File: A-102 Inspection Report 78-20

Dear Mr. Keppler:

This letter is in response to Mr. Hind's letter concerning an inspection of activities at the Duane Arnold Energy Center conducted on September 6-8, 1978. Since the areas examined during the inspection included subject matter exempt from disclosure under section 2.790 of NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, our responses to the items of noncompliance have been included as a separate enclosure to this letter.

Very truly yours,
