**Re: In the Matter of U.S. Department of Energy (High Level Waste Repository),
Docket No. 63-001-HLW: United States Department of Energy's First
Submission of Licensing Support Network Documents**

Dear Mr. Bates:

In accordance with the Construction Authorization Board's Orders dated April 11, 2011 and May 13, 2011, please find enclosed the United States Department of Energy's first installment of Licensing Support Network documents in PDF format. This first installment includes one (1) 2T hard drive that contains 456,446 documents and 456,446 headers, comprising approximately 760 gigabytes. Also included is a manifest file that contains additional information about this installment consistent with item 4 of the Board's Order dated May 13, 2011.

If you have any questions, please do not hesitate to contact me or Dan Maerten of CACI, Inc. (571-289-4836).

Sincerely,

Edward P. Noonan
