Dear Mr. Davis:

Please find enclosed copies of the examinations and evaluations in accordance with Item G. of the subject Confirmatory Action Letter (CAL). The enclosed documentation is for one staff crew which received the accelerated remedial/enhanced training required by Item C. of the CAL. We request that Attachment 5 be exempt from disclosure per 10 CFR 2.790(a)(6).

On October 8, 1990, we began providing enhanced training and evaluation to licensed staff personnel. The training consists of 50 hours of training for each crew, concluding with evaluated simulator scenarios. Copies of the Scenarios, the Instructor Guides, and Student Guides used during the first segment of enhanced training were enclosed with Reference 2. Three additional Scenarios used during staff training are attached. In addition to this formal training, operating crews are observing the Simulator training sessions.
