Re: PCB16.06R

Sir,

Per the requirements of 10 CFR 110.31, REVISS Services Inc. is submitting an application for amendment of our Import/Export License number PCB16.06R. Attached is a copy of our Form 7 requesting amendment. This amendment is to add four Domestic Customers representing 11 new locations to our list of "Other Parties it Import". These customers will be for our Cobalt-60 sources.

Additionally I am requesting the addition of 3 customers that are Nuclear Plants. These three facilities will be recipients of Category 2 Cs-137 sources.

The first Cobalt shipment is currently projected to be in December 2011 to Pa'ina Hawai'i LLC. The first Caesium shipment is projected to be in October 2011.

I have included a check for \$5,200.00 to cover the amendment fee based on the fee schedule 10 CFR 170.31. 15 (I).

Should you need any additional information, please let me know.

Best regards,

John L. Schrader
Vice President
Radiation Safety Officer
