Re: Iowa Electric Light and Power Company
Duane Arnold Energy Center
AEC Docket No. 50-331

Dear Mr. Bloch:

Under separate cover the Iowa Electric Light and Power Company is filing its amended application and final safety analysis report, together with Amendment 1 thereto, for licenses authorizing operation of the Duane Arnold Energy Center. The filing includes 25 copies of the amended application (including three signed originals) and 70 copies of the final safety analysis report and Amendment 1.

The three signed originals of the amended application are being delivered herewith, together with three signed originals of Amendment 1.

A certificate evidencing service of the application, FSAR, and Amendment 1, in accordance with the provisions of AEC regulations, will be filed with you shortly.

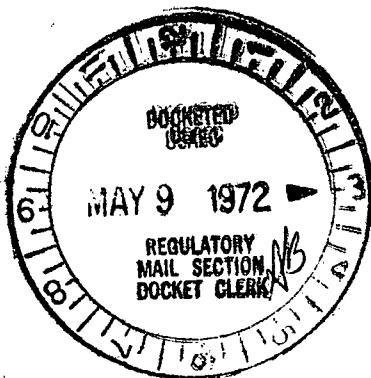

All questions previously referred to the applicant are answered in Amendment 1, except for those enumerated in the attachment to this letter. Those enumerated in the attachment to this letter will be answered in Amendment 2. Amendment 2 will be filed on or about July 10, 1972.

As previously discussed with members of your staff, 20 copies of the on-site meteorological data supplement to the FSAR will be filed under separate cover.

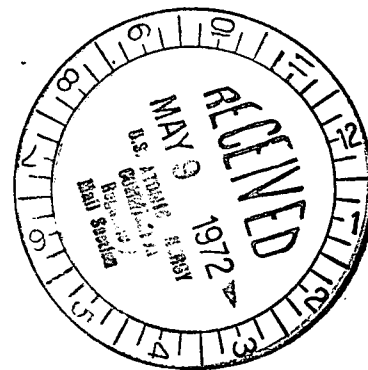

Sincerely yours,

Robert Lowenstein
