Submittal of DAEC Off-Site Dose Assessment

Dear Mr. Denton:

This letter is to confirm our verbal discussion with members of your staff regarding submittal of the Offsite Dose Assessment Manual (ODAM) for the Duane Arnold Energy Center.

As we discussed with our Project Manager, it is our objective to submit the DAEC ODA M by March 15, 1984. It is our understanding that this is the only remaining open item regarding our Radiological Effluents Technical Specification submittal.

Please contact this office if there are any questions regarding this subject.

Very truly yours,
