Joe, All,

Here is the telephone bridgeline information for our call at 2:00 PM today, 8/1/11: Bridgeline - 1-888-390-0679, passcode 52448#. You have 8 lines available for your use. NRC staff will go over the draft RAI #3 on decommissioning funding, to make sure the requests for information are clear, and to establish the date when the Yankees will respond to the RAI. We will plan to issue RAI #3 immediately after the call.

Thank you,  
Kristina

I believe the concurrence review could wrap-up early next week, and then we can have a call with you to discuss the RAIs that staff plans to send. I thought to set up a tentative timeframe for a call (~ 30 minutes) early next week. The following timeframes look pretty open for NRC folks; please let me know if any of these timeframes work for the Yankee folks:

> Tuesday, 8/2 - 9:00-10:00 AM, 11:00 AM - noon, 3:30-4:30 PM  
> Wednesday, 8/3 - 9:00-11:00 AM, 2:00-4:00 PM

> Also, NRC staff will meet internally next week to discuss the July 13, 2011 letter from Morgan Lewis and the path forward for the review of the license transfer. I hope to follow-up with you the week of August 8 re: staff's discussions.
