RE: License No. 47-09772-02

03003390

To Whom It May Concern:

This letter is to communicate changes occurring at Camden Clark Medical Center, Memorial Campus, license no. 47-09772-02, expiration date April 30, 2015.

The first item is we wish to delete Chandra S. Sekar, M.D. from our license. Dr. Sekar has retired from this institution. Since Dr. Sekar has retired, we wish to change the Cs 137 for calibration of instruments (non-medical use) to Joshua L. Hayes, Authorized Medical Physicist.

Also, at this time, we wish to add Theraseed Pd-103 and Isoray's Proxcelan Cs-131 to our selections listed under item 7D of our license.

I trust this correspondence meets your needs. If you have any questions or comments, please do not hesitate to contact our Radiation Safety Officer, Daniel A. Berkley at (304) 424-2744 or (724) 454-2371.

Sincerely,

Dave McClure  
Vice President  
Operations Professional

DMC/jfe

This is to acknowledge the receipt of your letter application dated

8/10/2011, and to inform you that the initial processing which includes an administrative review has been performed.

- Amendment (47-09772-02) There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

- Please provide to this office within 30 days of your receipt of this card
-
