Re: Address correction for a licensed site to Materials License 06-00253-04

In reviewing our materials license we found a clerical error in the address for licensed activities. Item 10. G. under the license CONDITIONS section should indicate Suite 100 (not Suite 1000) as shown here:

- G. Only licensed material listed in 6.A., 6.B., and 6.F. may be used or stored at the licensee's facilities located at Farmington Medical Arts, Twin Building B, 11 South Road, Suite 1000, Farmington, Connecticut.

Please make the correction to your files.

If you have any questions or desire additional information, please contact Peter J. Mas at 860- 545-2676, or 860-324-3438.
