Desc: June 8, 2011 NRC Generic Fundamentals Examination Results for Vermont Yankee Nuclear Power Station (All enclosures , that is: the final answer key, the grading results for the facility, and copies of the individual examination answer sheets for each employee (EMPLOYEE NAME MAY BE DELETED) and NRC comments (if any for each completed answer sheet).

FeeCategory: Educational

MediaType:

FeeCategory_Description:

Expedite_ImminentThreatText:

Expedite_UrgencyToInformText:

Waiver_Purpose: Requesting Fee waiver. Materials will be used to allow stakeholders to better gauge power reactor staff degree of professionalism.

Waiver_ExtentToExtractAnalyze: Examination results will be sorted by category, tabulated, and formatted in order to develop a readily accessible picture of operational readiness and professionalism,

Waiver_SpecificActivityQuals: Results of New England Coalition's review will be shared with stakeholders (including the State of Vermont); a synopsis will be published on the Coalition website. New England Coalition has demonstrated its ability through its staff and/or consulting experts as a participant in numerous NRC licensing proceedings. The Coalition

has a forty-year history of preparing informational materials on technical subjects in a way to make them understandable to the general public.

Waiver_ImpactPublicUnderstanding: A better understanding of the generic fundamentals test and test results at Vermont Yankee will enable the public to better participate in NRC local meetings and to more effectively participate in those NRC initiatives where the agency is seeking comment.

Waiver_NatureOfPublic: New England Coalition, a 501c3 non-profit incorporated in the State of Vermont since 1971, has over 300 members and more than 1000 continuing contributors. The Coalition counts approximately 100,000 New England residents among its constituents and interacts regularly on Vermont Yankee topics with the state legislature and state agencies,

Waiver_MeansOfDissemination: We intend to distribute the results of our review directly to stakeholders and interested persons and to public some version of the review on the NEC website.

Waiver_FreeToPublicOrFee:

Waiver_PrivateCommericalInterest: Nothing more than that answered in the preceding.
